Department of Academic Programme Evaluation

Main mission: evaluation of study programmes, programme offerings and training policies of higher education institutions

Head of Department: Sophie Meynet
Department Manager: Éric Boutouyrie

Missions:

- Organisation and implementation of the evaluation of: - study programmes and programme offerings, - professional training programmes, - doctoral schools and colleges, in addition to institutional policies associated with these different dimensions, in higher education institutions within the remit of Hcéres;
- Organising and processing data required for or produced by evaluations, in particular those relating to student guidance, success and job-market integration.

The Department of Academic Programme Evaluation works in close collaboration with:

- The Department of Research Evaluation and the Department of Evaluation of Higher Education Institutions, as well as with the Science and Technology Observatory (OST), as part of the integration of Hcéres' activities (integrated evaluation);
- The French engineering accreditation body and the Evaluation Committee for Qualifications issued by Business Schools within the framework of the coordination mission of national evaluation agencies.
