Department of Evaluation of Higher Education Institutions

Main mission: evaluation of French higher education institutions, universities and schools

Head of Department: [Pierre Glaudes](#)
Department Manager: Florian Marquis

Missions

- Organisation and implementation of the evaluation of higher education institutions within the remit of Hcéres;
 - Organisation and processing of data required for, or produced by, the evaluation, in conjunction with other departments.
 - Measurement of the involvement of bodies in university sites, in collaboration with the Department of Evaluation of Research Institutions and the Department of Research Evaluation. The Department of Evaluation of Higher Education Institutions works closely with the Department of Research Evaluation, the Department of Academic Programme Evaluation, and also with the Science and Technology Observatory (OST), in the context of the integration of Hcéres' activities (integrated evaluation).
- [Access evaluation reports for higher education and research institutions](#)

250

institutions (of which 75 universities and schools, 39 engineering schools and 17 research bodies) evaluated every 5 years.

50

evaluation reports per year
