Department of Evaluation of Research Institutions

Main mission: evaluation of national research bodies and their relations with universities and schools

Head of Department: Bernard Larrouturnou
Department Manager: Luana Quattrocchi

Missions

- Organisation and implementation of the evaluation of research bodies and infrastructures within the remit of Hcéres;
- Measurement of the involvement of research bodies in university sites;
- Organisation and processing of data required for or produced by the evaluation, in conjunction with other departments.

The Department of Evaluation of Research Institutions works closely with the Department of Research Evaluation and the Department of Evaluation of Higher Education Institutions, as well as with the Science and Technology Observatory (OST), in the context of the integration of Hcéres' activities (integrated evaluation).
