# Hcéres organises the third international conference of the FrAQ-Sup network

Published on 17 May 2018

On behalf of the FrAQ-Sup network and in partnership with the AUF, Hcéres has organised the third international conference on the theme "International orientation and French-speaking countries: what added value for the quality of higher education", on 25 June 2018 at the INHA (Paris).

Réseau francophone  
des agences qualité  
pour l'enseignement  
supérieur

For this new edition, the French-speaking quality agencies, universities, schools and ministries debated, exchanged information and undertook joint reflection on the contribution of internationalisation to higher education. What does internationalisation include? What vision can the institutions and their partners provide or develop? What constitutes good international practice?

En partenariat avec

The FrAQ-Sup network of French-speaking quality agencies for higher education was founded in the spring of 2014 by the following agencies.

[AAQ \(Swiss Accreditation and Quality Assurance Agency\)](#)

▸ [AEQES \(Belgian Agency for the Evaluation of Higher Education Quality\)](#)

▸ [CTI \(Commission des titres d'ingénieur, France\)](#)

▸ [Hcéres \(High Council for the Evaluation of Higher Education and Research, France\)](#)

They have been joined by:

▸ [ANAO-SUP \(Senegalese National Quality Assurance Authority for Higher Education, since 2015\)](#)

▸ [CEEC \(Commission for the Evaluation of College Education, Quebec, since 2015\)](#)

▸ [ANEAQ \(National Agency for Evaluation and Quality Assurance for Higher Education and Scientific Research, Morocco, since April 2017\)](#)

▸ [IEAQA \(Tunisian National Body for Evaluation, Quality Assurance and Accreditation, since 25 October 2017\)](#)

The objective of this informal network, open to all French-speaking quality agencies that are active in the field of higher education, is to encourage contact, exchanges and sharing of good practice and collaboration between agencies, particularly through the organisation of an annual conference and joint projects.
