Meetings to launch Group E - Videos and documents

Published on 30 January 2018

Find the videos and documents used at these meetings as well as useful information for submission of applications for an evaluation.

Hcéres representatives met the institutions concerned by the 2018-2019 evaluation campaign (Group E) at information days held from November to January. These meetings provided an opportunity to present the methodology for each type of evaluation (clusters, institutions, research, study programmes) and to emphasise developments and what was new.

Find below the videos and documents used at these meetings as well as useful information for submission of applications for an evaluation.
