Ofis Advisory Board (CoFIS)

The Ofis Advisory Board guides and oversees the work of Ofis.

The Ofis Advisory Board (CoFIS) is chaired by Mr Olivier Le Gall, Director of Research at Inrae.

In accordance with Article R. 114-12 of the research code, the Ofis Advisory Board (CoFIS) is composed of 12 members appointed *intuitu personae*, for a period of four years.

The members have different profiles, some of them international, in order to have the most exhaustive vision possible of the scientific integrity issues that may arise.

Find all the profiles of the CoFIS members on [the Ofis website](#) .
