Publication of the assessment report of the CNRS

Published on 20 November 2023

The assessment report of the CNRS (*Centre national de la recherche scientifique*), the largest research institution in France and in Europe, [is made public on the Hcéres website](#) and presented at a press conference on November 20, 2023.

This is the first ever assessment of the CNRS organized by Hcéres, the French authority in charge of the evaluation of research and higher education institutions in France. The assessment was performed by **an international assessment committee** of 16 high level experts recognized as international leaders in their fields.
