Publication of the regulation on data use

Publié le 30 octobre 2019

Hcéres has published its regulation on the use of data, adopted by its college on the 28th October 2019.

The purpose of the regulation is to:

- define the confidentiality rules applying to Hcéres' Protected Data, as well as the applicable confidentiality procedures, which must imperatively be observed by all staff;
- regulate and supervise, consequentially, the use of these data by Hcéres staff;
- define the legal framework for the processing of personal data.
