# The international committee in charge of assessing the Institut Pasteur in 2024

Published on 7 February 2024

In 2023, Hcéres and the Institut Pasteur have worked on the preparation of the Institut Pasteur assessment planned for 2024.

---

The main stages of the assessment schedule are the following:

- June 2023-January 2024: preparation by the *Institut Pasteur* of its self-assessment report, on the basis of the "Terms of reference for the assessment of the *Institut Pasteur*" published in June 2023 on the Hcéres website;
- January-May 2024: preparatory work by the assessment committee;
- June 18-20 2024: assessment visit of the *Institut Pasteur* by the committee;
- Fall 2024: publication of the assessment report.
