

Hcéres external evaluation

In 2016-2017, Hcéres is being evaluated by a committee of international experts.

3 main OBJECTIVES

EXTEND ENQA MEMBERSHIP

Extend Hcéres membership of ENQA, the European Association for Quality Assurance in Higher Education

REINFORCE OUR QUALITY APPROACH

Review existing Hcéres operation and practices and draw up plans for development

RENEW EQAR LISTING

Renew the inclusion of Hcéres on EQAR, the European Quality Assurance Register for Higher Education

the challenge of ESG compliance

The criteria to which Hcéres is subject in its external evaluation are set by the European Standards and Guidelines (ESG).

The ESG also serve as reference document for the internal and external quality assurance systems of national and European quality assurance institutions and agencies.

They define a common framework in order to guarantee and improve the quality of higher education.
