

JULIO D. RAFFO

Chef, Section d'Économie de l'Innovation

Organisation Mondiale de la Propriété Intellectuelle

Julio Raffo est chef de la Section de l'économie de l'innovation à la Division de l'économie et des statistiques de l'Organisation mondiale de la propriété intellectuelle (OMPI). Il est titulaire d'un doctorat en économie de l'Université de Paris Nord et post-doc de l'École Polytechnique Fédérale de Lausanne.

Ses principaux intérêts de recherche sont l'économie et les métriques de l'innovation et de la propriété intellectuelle, en particulier leur intersection avec le développement socio-économique.
